"Pure Taste, Every Grain"

Our Services

- Premium steam rice and parboiled rice production.
- Processing and husking of multiple rice varieties with advanced technology.
- Global rice exporting with trusted quality and consistency.
- Supply of by-products such as broken rice, rice bran and rice husk.
- Complete solutions from milling to packaging and delivery.

Our History

Karam Rice Mills has been serving with pride since 1996 and with the establishment of our modern mill in 2001. We set new standards of excellence in rice processing. We specialize in premium steam rice and parboiled rice, delivering natural taste, aroma, and nutrition with every grain. Our philosophy is built on honesty, care, and a promise never to compromise on quality. Today, Karam Rice Mills proudly exports worldwide, bringing families and communities the trusted taste of Pakistan.
